Dear Mr. Coffin:

The North Carolina Board of Examiners for Engineers and Surveyors has approved the application of **Green Energy Engineers, Inc.** as an *Approved Sponsor* of Continuing Professional Competency (CPC) activities for Professional Engineers and Professional Land Surveyors licensed by the State of North Carolina. Your Sponsor number is **S-0532**.

Designation as an *Approved Sponsor* indicates recognition by the Board of Examiners of the CPC activities offered by **Green Energy Engineers, Inc.** as meeting the required standards. Activities must contain a clear purpose and objective and shall result in the maintenance, improvement, and the expansion of skills and knowledge relevant to a licensee's field of practice. **Professional Development Hours awarded must equal actual contact time.** The Board cautions you against offering product specific courses/activities. Sales oriented presentations are not acceptable for PDH credit.

You are reminded that, as part of your agreement with the Board your organization shall:

1. Provide each attendee with documentation of attendance.
2. Submit quarterly reports to the Board which indicate the name of each course presented, date, location, number of PDHs awarded, and a roster of attendees that are licensed by this Board, **to include the Board-assigned license number of each attendee.**
3. You are also required to notify the Board in advance each time a seminar, workshop or other educational activity is scheduled.

**Annual renewal forms will be mailed each March to the address of record for the Sponsor. We look forward to working with you and your organization in the future.**

Sincerely,

Martha Michalowski
